

Teleinvest, a specialist in automatic trading systems for securities dealers, announces the signing of a new contract with BNP-Paribas. Following the first contract, signed in 2000 with BNP-Paribas Geneva, a new agreement covering market access to SWX (Europe) under the new architecture of the Swiss Exchange was recently signed.

To emphasize their trust in TELEINVEST's PREDATOR platform, the 2 partners have also agreed on a global contract, covering BNP-Paribas entities worldwide.
